#### **Public Notice**

As a result of the Governor's recommendation and the Legislature's decision to make the Secretary of State's office a fee funded agency, the Secretary of State's office will increase fees effective September 1, 2003.

Historically, the Secretary of State's office operated on a split-funding basis. That funding was cut by 50 percent this year, and starting in fiscal year 2005, the office will receive no state general fund money.

The Secretary of State's office has spent the past six months doing a comprehensive review of transactions and fees. In every case, the new fee charged reflects the statutory requirement of the law, as well as the lowest fee possible to perform the duties of the agency.

For specific legislative details on the fee increase, refer to 2003 Senate Bill 239. The new fee schedule is available on the Secretary of State's Web site, www.kssos.org. For more information, contact the Secretary of State's office at (785) 296-4564.

#### **Request for Comments**

In accordance with Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) requirements, the Kansas Department of Transportation requests comments on the draft Statewide Transportation Improvement Program (STIP).

The STIP is a project-specific document that includes a list of all highway and transit projects in the state for a three-year period (October 1, 2003 to September 30, 2006). The STIP has been categorized into three general sections. The sections are as follows:

- All street and highway projects administered by KDOT.
- 2. Statewide public transit projects.
- 3. Federal Lands Highway Program projects.

The comprehensive list of programmed projects provided under category one includes all projects, regardless of funding source, to be administered by KDOT. This list includes projects for counties and cities, and projects on the state highway system. This approach allows currently-scheduled projects to be converted to federal aid, if necessary, without undue delay and revision to the STIP. Transportation Improvement Programs (TIP) for the urbanized areas in Kansas are included in this STIP by reference (Douglas County, Johnson County, Leavenworth County, Sedgwick County, Shawnee County and Wyandotte County).

To receive a copy of the draft STIP or to comment on the contents of the document, contact the Kansas Department of Transportation, Office of Engineering Support, Room 761-S, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612-1568, (785) 296-7940, fax (785) 296-0723.
